GAS JOURNAL

Index to Vol. 349

January 5, 1972-March 29, 1972

The General Index for January 5 to March 29 is followed by an extended Classified Index under the following subject headings:

Transmission Distribution and Storage ii
Area Boards iii
Authors iii
Gas Council iii
Editorial Comment... ... iii
Technical Developments iii
Personal iv
I.G.E. iv
Conversion Supplement iv

Walter King Ltd., Elm House, 10-16 Elm Street, London, WC1X 0BP

GENERAL INDEX

A

Abstracts from recent British patents, 33, 92, 118, 230
American Gas Association, Distribution Conference, 214
Analysis of fire deaths in 1970, 11
Another gas find in Dutch North Sea, 213

B

Boom year for central heating deliveries, 64
BP Alaska Inc. may sell gas from Alaska to Omaha gas company, 166
BP awards letters of intent for Forties oilfield fixed platforms, 78
BP forties field development, 213
Bridgestone Liquefied Gas Co. Ltd., liquefied gas tank approved, 78
British buyers to visit Northern Ireland, 119
British Gas Corporation, Government has January 1 next in mind for changeover, 93
British Gas Corporation to preserve continuity with the gas industry, 145
British Standards publication, 'Identification of pipelines', 34

C

C.E.G.B. may negotiate for North Sea gas, 166
Clarkston Toll gas explosion, verdict of no blame, 146
Coal strike, gas supply unaffected, 52
Code of Industrial Relations Practice, final draft, 96
Coke and coal stocks in gas board depots, 145
Conoco Ltd. win ten year contract from Laporte Industries Ltd., 79
Continental Shelf petroleum production licences allocated for the Southern Basin of the North Sea, 12
Contracts of Employment Act, revised guide, 94
CORGI publication, 'A guide to installation practice', 78
Council of Industrial Design, early name change, 213
Crane handbook, 'Flow of fluids', 145

D

The District Heating Association, Derek Ezra Award lecture, 233
Dome Petroleum Ltd. estimate more than 15 mill. mill. cu.ft. of natural gas in the Canadian Arctic, 122

E

Eighth World Energy Conference at Bucharest, 52
Electricity generation based on natural gas, 22
Electricity Marketing Conference and Electric Living Fair, 156
ESAB Ltd. negotiate for welding interests of Air Products Ltd., 9
'Europe and pollution' travelling salon, 118

F

Federal Power Commission authorises major imports of natural gas from Canada, 8
Foxboro-Yoxall marine contract under way, 146
Freight Fransport Assocation, GV9 leaflet, 122

G

Gas in air conditioning, 198
Gas in the continent, 45, 221
Glow-Worm continental holiday promotion, 96
Green Shield stamps promotion for three gas boards, 121

H

Hamworthy Engineering Ltd., automatic roof-fired HXG burner, 11
Humphreys & Glasgow Ltd. opens northern area office, 212

I

I.C.I. Gammalog for measuring wet storage underground, 64
Increased output of natural gas first week in 1972, 79
Industrial Exhibition Ltd. merge with Industrial & Trade Fairs Holdings Ltd., 9
Institute of Fuel Total Energy Conference, article correction, 36

K

Kellogg Company win contract for a coal gasification feasibility study, 64
Kuwait natural gas bill, 148

L

L.P.G. and public transport, 10

M

Maintenance survey of services, tools and appliances for the gas industry, 223
Marine Technology Requirements Board created, 232
Mercedes-Benz experiment with gas-powered vehicles, 10
Metrication Board, 'Going metric 3', 96
'Monthly digest of statistics', U.K. energy statistics, 148
Multimillion-dollar search plans for natural gas in New York—Pennsylvania, 36

N

NALGO, massive membership gains, 146
Natural gas field in Western Australia, 119
Natural gas-fired boilers for W.D. & H.O. Wills, 10
Natural gas industry gain second gas output record this year, 120
Natural gas industry record month, 146
Natural gas industry, seven new weekly output records, 166
New Neptune rig to be built to Lloyd's Register class, 120
New Year Honours List, 8

O

Occidental Petroleum Corporation moves HQ to London, 64
Oceanological Equipment and Services Exhibition, Brighton, 131

P

Pass, E. & Co. Ltd., fully equipped service unit, 95
Pay offer rejected by gas industry manual workers, 8
Petroleum exploration and production safety, 198
Pipeline Industries Guild 15th Annual Dinner, 231
The Pipework Engineering Department of B.S.C. name change, 146
Player's Horizon Factory starts production, 121
Protection for professional engineers, 145

R

Radiation Gas Fires Ltd., Highspeed G model 721 production discontinued, 96
Rank Precision Industries, flying inspection service, 148
Reassurance on compensation for gas industry employees after Gas Bill, 122
Repairite Ltd., maintenance material, 12
RoSPA publication 'The safe use of electricity: A guide for industry and commerce', 92
Ruston gas turbines at Bacton, 51

S

S.B.G.I. contracting and engineering service members see exports problem with V.A.T., 231
S.B.G.I. Reception at the Hyde Park Hotel, 233
Shell/Esso to develop Auk Field, 166
Simon Engineering Ltd., office move, 231
Sira Institute launches high-speed liquid-chromatography project, 160
South Wales Electricity Board losing customers to North Sea gas, 9
Soviet gas industry developments, 98

T

Third residential school on thermal analysis at Queen Mary College in April, 9
Total world energy situation and the domestic heating market, 10
Twin-engine helicopter for gas industry tasks, 96

U

U.S.A. looks to shelved ideas to help solve its power problems, 52
U.S.S.R. single gas system, 145
U.S.S.R. start tests on thermoemission reactor, 148

V

Valor Chairman urges encouragement of British exports, 9

W

'Which' advises householders to check their gas bill, 119
Woodall-Duckham Ltd. wins Shell contract, 120

TRANSMISSION DISTRIBUTION AND STORAGE

A

Alldays, Peacock & Co. Ltd., improved centrifugal gas booster, 208
American Gas Association will sponsor fourth Plastic Pipe Symposium, 208
Avent, E. W. Ltd., specialist services information for gas and water industries, 26

B

British Plastics Federation 'Buyers' Guide', 136

C

Cannon Industries Ltd., rotary plug tap for domestic cooker hot plate burner control, 142
Contracts announced for Forties Field steel pipelines, 211
Cook, T., Influence of I.G.E. 674A recommendations on steel pipelines, 139
Cooper-Bessemer Coberra 250 jet gas turbine-driven compressor installation at Michigan, U.S.A., 29

D

de Winton, C. J. P., Accurate measurement of North Sea gas outputs at Bacton, 162
Donkin, Bryan Company, new gas and fluid filters, 115

E

Eastern Gas Board
Natural gas pipeline from Enfield to Tottenham, 28
Two mainlaying contracts to Biggs Wall & Co. Ltd., 210

F

Foxboro-Yoxall Ltd., instrumentation and control systems manual, 142

G

Gas Council
Contract for new North Sea gas pumping station to Control Technology Ltd., 210
Feeder main No. 7, 135
Orenda Ltd. supply two mobile gas turbine compressor sets, 27
Groves, R., Widest range of filters offered by newcomer to the gas industry, 65

H

Hesler Heat Exchangers Ltd., indirectly-fired thermal transfer system, 28

I

Iran valve agency for M & J steel gate valves, 210

L

Lainn, John & Son Ltd., offshore pipeline film, 137
Long, A. Products Ltd., European symposia, 114

M

Moody International complete major gasline inspection by helicopter, 211

N

North Eastern Gas Board
GEC-Elliott te'emetry system aids radio communications, 208

O

O'Callaghan, R. T., Practical applications of automated network analysis and network design, 111

P

Peacock, N. and Robson, E. L., Lamesley underground gas storage installation, 29
Pipeline in Caspian Sea for oil and gas, 111
Pipeline Industries Guild document 'Standard method of measurement for pipeline works', 208
Pipeline Industries Guild, 'Effect of Ground Conditions on Pipelines' lecture, 137

R

Ruston Gas Turbines Ltd., TB3000 gas turbine, 142

S

Sangamo Weston telemetry equipment finding ready acceptance, 208
Serck Audco Valves, new vane actuator, 115
Shaw Moisture Meters, hygrometer, 26
South Eastern Gas Board
Deptford Creek crossing, 138
Isle of Sheppey natural gas main, 137
Temporary main to aid conversion, 206
Swiss, M., Moscow looks to the north east: The 'Northern Lights' pipelines, 110

T

Talbot, F. W & Co. Ltd., Winnall couplings, 27
Toles, George E., Canadian Arctic gas pipeline to U.S.—feasible within two years? 116

W

Waller, George & Son Ltd., interlocking double gate valves publication, 138
Waukesha natural gas engine at Oceanex 71 exhibition, 27
Weco/Hamer automated 'block and blind' assembly, 28
Wilkinson, G., Leakage control and gas treatment in the North West, 68

CLASSIFIED INDEX

AREA BOARDS

EASTERN GAS BOARD
Showroom closures, 146

EAST MIDLANDS GAS BOARD
Basford, last remaining gasworks to cease manufacture in February, 119
Visitors to grid control room, 120

NORTH EASTERN GAS BOARD
Christmas party, 11
Commemorative plaque to the Lord Mayor of York, 52
Industrial waste disposal operation in gasworks demolition, 96
Record levels for gas output and appliance sales, 231
Tingley Central Transport Depot show a comprehensive range of equipment, 121
Visit from the Royal Institute of Public Administration, 82

NORTH THAMES GAS BOARD
Day record tops 5 mill., 94
January sales bargains, 36
Kensington Palace Hotel, Scottish Food Festival, 122

NORTHERN GAS BOARD
20 gasholders to be demolished in next two years, 79

NORTH WESTERN GAS BOARD
Fogging appliance demonstration, 62

SOUTHERN GAS BOARD
Certificates of competency for 16 first aiders, 166
Help for the aged, 148
Showroom Assistant prevents crime, 98
'The Southern Leader' newspaper, 78
90 gas contracts with industrialists, 95

SOUTH EASTERN GAS BOARD
Emergency service control system, 205
Miss Great Britain promotes Economic Firetime automatic gas fire, 122
Robinson Willey Firegem gas fire for 500,000th conversion customer, 150

WALES GAS BOARD
Biggest ever sales increase, 231
Demand for old maps from Commonwealth, 232

WEST MIDLANDS GAS BOARD
No fear of profit syphoning, 64

WEST MIDLANDS GAS BOARD
Sandwell Shopping Centre, West Bromwich heated by gas, 80

GAS COUNCIL

British Steel Corporation wins £3-mill. gas pipe order, 51
Educational metrication posters, 122
Huge increase in gas sales, 213
Interim Code of Practice, Parts 3 and 4 issued, 15 Audio-visual presentation at Hotelympia, 34
Pay offer accepted by manual workers, 96
Publication 'Britain's natural gas', 120
Sponsoring children's art competition, 166
Three new groups in sea search for oil and gas on U.K. Continental Shelf, 213

EDITORIAL COMMENT

A slow start, 127
Architects and fire protection, 60
Clean Air Spring Seminar, 104
Comforting talk, 44
Deep subjects—and objects, 88
Design Prize award, 128
Ducted air supply, 127
End of an era, 219
